

Relay for Life

Eggstravaganza

The Integrity Technology Solutions' Relay for Life team has been busy this month raising money for the American Cancer Society. To our delight, we discovered that the Easter Bunny is also a big supporter of Relay for Life and she (did you know the Easter Bunny was female?) signed on to help our efforts. Armed with the largest basket in Illinois (provided by Rita Lackovich), the bunny and her chauffeur made their way to area businesses to sell Easter eggs and raise money. The eggs were filled with jelly beans and the possibility of winning one of the great prizes that were donated by area businesses.

We were amazed at the generosity and kindness that the Easter Bunny received during her trip around Bloomington-Normal. We raised \$1070 from the event and are already planning for next year.

Our Relay team and the Easter Bunny would like to thank the staff at Adkisson Consultants, Bliss McKnight, BOPI, Business Builders, Coldwell Banker, IHSA, Wilber & Associates, and the Wilber Law Firm for helping to make this fundraiser a success.

We would also like to thank the generous businesses that donated prizes for this event:

Details Nail Salon
Jimmy John's
JMC Photo & Digital Services
Maid Rite
